Creating a colorful life.

MAINE WOODWORKS

At Maine Woodworks, we create cottage-style furniture that is benchcrafted and built to order, one piece at a time. We use regionally sourced, sustainably harvested hardwood, environmentally friendly finishes, and a combination of time-tested and modern day joinery.

In true Cottage style, we embrace color and strive to create lasting beauty with every piece of furniture we craft. Our vibrant palette and elegantly simple designs add beauty and grace to any home.

A social enterprise of Creative Works, a 501(c)(3) nonprofit organization that supports individuals with disabilities, Maine Woodworks employs an integrated workforce, made up of people both with and without disabilities.

Our craftspeople take pride and satisfaction in the work they do, in the quality and style of furniture they build, and in their ability to support themselves and contribute meaningfully to the community.

The sales of our furniture furthers our social mission, and provides a steady paycheck to all Maine Woodworks' employees.

In purchasing Maine Woodworks furniture, you are investing in our social mission, our people, and in breaking down barriers that limit opportunities for individuals with disabilities to lead productive and fully engaged lives.

Welcome to Maine Woodworks. We build furniture that will become a part of your family's home for generations to come.
